## **2019-2020 Brett/Robinson Vendors List**

Brett/Robinson welcomes the opportunity to assist all our Owners with their remodeling efforts. From the simple purchase, such as a table or chair, to the large remodeling of a room, the Front Desk/Rental Manager and their staff will assist with your efforts in making your units the best they can be for your rental guests.

The list below is comprised of vendors with specific expertise that owners have used in the past with positive results. Time after time, these vendors have shown quality of work and dependability at competitive rates. Others may have fallen off the list for poor performance; however, it is not all-inclusive. We encourage owner feedback on experiences with all vendors.

Always, we recommend you get estimates and bids for the work and measure the cost against the material and workmanship quality.
